Greenville Federal Credit Union and the Employee Wellness Committee introduce a new Financial Wellness Series for all Faculty & Staff in 2024!

Join our NEW financial wellness series to strengthen your financial skills and confidence; ask questions and feel empowered. In partnership with Greenville Federal Credit Union, we will explore various topics during each quarter of 2024. Grab a FREE lunch compliments of Greenville Federal Credit Union in the Dining Hall and join us for one or all of the following:

Q1: March 27, 2024, Location: Trustees Dining Room 11:45AM – 12:45

Credit Scores & Loans: Demystify what a credit score is and how it is calculated. Learn tips to establish and maintain your ideal credit score. Learn about different types of loans, their uses, and how credit scores can affect rates.

Q2: Date TBD

Auto Lending - Purchasing a car is exciting and auto loan decisions can affect your finances for years. Learn what to expect during the auto loan process from deciding how much you can afford to understanding all parts of a car loan to ensure you make a savvy car buying decision and learn how to plan for all auto related expenses—not just the monthly payment on the loan.

Q3: Date TBD

Saving for the Future - Explore pathways for saving for retirement and college. Learn about common retirement accounts, how to maximize individual or employer funding, and the tax benefits associated with retirement planning. Learn about common college saving plans and associated tax benefits for SC residents.

Q4: Date TBD

Home Buying Basics - Pave the way to home ownership. Learn about the benefits of home ownership, along with a home buying process overview. Discover the parts of a mortgage, how to calculate what you can afford, what is truth in lending, and the total cost of home ownership.
