

The Thriving Community Advisory Team is pleased to announce an upcoming opportunity for campus partners to engage in Restorative Practices training in December. This two-day experience will be facilitated by our Furman colleagues who are certified in Restorative Practices. Sessions will run from 9 a.m. to 5 p.m. on December 18 and 19 in the Board of Trustees Dining Room. If you're interested in participating, please email thriving@furman.edu and include your dietary restrictions. Space is limited to the first 40 respondents, and lunch will be provided both days.
